

Huebsch YDE/YDG COMMERCIAL DRYER

Huebsch commercial dryers provide the benefits of heavy-duty commercial quality with attractive styling. With features like extra-large capacity and a no-hassle lint filter, they allow you to focus on your day-to-day operations instead of your laundry.

Fast drying times

Huebsch dryers deliver fast drying results. A 200 litre cylinder offers ample space for large loads to tumble and produce fast drying times, while lowering utility consumption.

Easy maintenance

A secured lint filter is located upfront to allow for easy cleaning between cycles.

Large, rugged door

Our dryer has a rugged door and hinge with the industry's largest door opening, 2.06 sq.ft. The doors are also reversible for installation flexibility.

Easy to use

The Electronic Control features a time-remaining display, six preset cycle buttons, cycle adjustability, cycle indicator lights and moisture level indicator lights.

Huebsch YDE/YDG

COMMERCIAL DRYER

SPECIFICATIONS	
Control	Electronic
Models	Electric: YDE Gas: YDG
Capacity	8.2 kg
